

Fundraising Tips

Thank you for championing a cause close to your heart. The journey of fundraising can be both rewarding and challenging. Here are some top tips for successful fundraising:

Remember that fundraising is an ongoing process. Stay persistent, stay connected with your supporters and be sure to reach out to our team if you need support.

1

Share your story

Tell your supporters why you're fundraising for Cystic Fibrosis WA. If you have a personal connection to the cause, let them know.

2

Set a target

Set yourself a realistic target that you think you can achieve during the time frame of your fundraiser. You can always increase your target if you reach it quickly. Supporters will be more likely to donate the closer you are to your goal amount.

3

Spread the word

Think about who you can contact for support; friends, family, work colleagues and local businesses can all help you reach your fundraising goal. Share updates, milestones and photos on your fundraising page and on social media.

4

Thank your supporters

Show appreciation to your supporters and acknowledge their generous contributions on your fundraising page, via thank you emails or on social media.

5

Reach out for support

Our Fundraising team is here to support you every step of the way. Do not hesitate to email us at events@cfwa.org.au or call **(08) 6224 4100** to see how we can assist you with your fundraising efforts.
